Spring Term 2010

## QEGS Junior School Community

### School Principles

1. We treat others as we would have them treat us
2. We know we are not perfect and so we say sorry when we get things wrong
3. We encourage each other in all that we do and forgive each other's failings
4. We are truthful and show integrity and humility
5. We share what we have
6. We show support for each other by not gossiping, judging or criticising others:  
we are loyal to each other
7. We show our respect to everyone by kindness, helpfulness and politeness
8. We listen to each other and like a family we recognise the needs of each other
9. We celebrate our diversity and value each person equally
10. We work together to help each of us to be our best selves

### Sportsmanship

High standards of sportsmanship and fair play are to be encouraged at all times within QEGS Junior School by the boys, staff and parents alike.

All boys representing QEGS Junior School will be expected to display excellent standards of behaviour both on and off the field, a respect for the opposition, the referee and one another as well as an ability to win and experience adversity graciously.

Sport and competition can play a very important part in developing a child's levels of self-esteem and well being, as long as the main focus of feedback provided is positive and constructive at all times.

#### **Advice for Parents (RFU Community Website)**

1. Remember that young people play sport for their own enjoyment, not yours
2. Encourage young people to play
3. Be realistic- focus on the young player's efforts rather than the winning or losing
4. Set a good example
5. Respect decisions made by the match officials and encourage others to do the same

I look forward to receiving your continued support throughout another busy year of sporting challenge.

**I D Shuttleworth**  
Deputy Head
