

**WAKEFIELD GIRLS' HIGH SCHOOL  
JUNIOR SCHOOL**

7 January 2010

Dear Parents

Happy New Year! Welcome back to school and my apologies for the snow's disruption. School has been open today and we have tried as far as possible to follow our normal timetable. Unfortunately today Year 3 and Year 4 had to be relocated due to a boiler problem.

School will be open tomorrow (Early Morning Care will function as usual, but there will be no After School Care). As this cold weather is predicted to continue please may I urge you to check that we are open by looking on the website each day – [www.wgsf.org.uk](http://www.wgsf.org.uk). A message will be posted at 2.00 pm every day.

Please note that no Junior extra curricular activities, e.g. Dance Club, Computer Club, Hockey Club, Drama Club, will take place until further notice due to the predicted freeze. However, PE lessons will take place as normal. Please can you ensure that the correct PE kit is brought into school. Suitable footwear and clothes (including hats and gloves) should be worn while these conditions prevail.

Please be assured that we are very aware of the adverse weather conditions and will try to keep the school open as normal. However please check the website daily for updates.

Yours sincerely

Headmistress
