

Appointment of a Year 2 Class Teacher with the responsibility for

Numeracy Coordination for KS1 and EYFS

Required from September 2010, a Year 2 Class Teacher with the additional responsibility for Numeracy Coordination in KS1 and EYFS. QEGS JS presently teaches boys from 7-11. However, from September 2010 the school is expanding and the first stage of the expansion is to accommodate Year 2 boys within the Junior School. The second phase, from September 2011, will see the opening of a separate Boys' Pre-Prep (from 4-7 years old) housed in a newly refurbished school building, next to the Junior School. The successful applicant will play a significant role in working alongside the Senior Leadership Team in helping to establish the new school ready for its opening in September 2011. Applicants should also have the specific skills, expertise, knowledge and commitment to coordinate the Numeracy Curriculum to KS1 and EYFS and to teach a wide range of subjects within the KS1 Curriculum to boys age 4-7 years. This post will suit a teacher with a minimum of 2 years experience, who can motivate and enthuse boys within our happy, thriving and vibrant school. A willingness to contribute to the extra-curricular and pastoral life of the school is also essential.

We are looking for someone who:

- Has good management and leadership qualities
- Displays excellent classroom practice
- Is passionate about high quality teaching and raising standards
- Has a clear educational vision
- Has a track record of inspiring staff and pupils to strive for excellence
- To develop numeracy across the age ranges and to liaise closely with the Head of Maths in the Junior School
- Ability to relate well to children and share their interests and enthusiasms.

Responsibilities:

- To be responsible for Numeracy within the Pre-Prep School and to deliver an appropriately broad, balanced and relevant curriculum. To be responsible for the budgeting and ordering of all resources and equipment.
- To be accountable for monitoring and supporting the overall progress and development of pupils.
- To be responsible for and organise Numeracy Focus Days, Money Week and to run a weekly Numeracy Club.
- To facilitate and encourage a learning experience which provides the pupils with the opportunity to fulfil their individual potential.
- Develop, implement, monitor and maintain policies and practices which reflect the school's commitment to high achievement and which are consistent with national and school strategies and policies.
- To be an outstanding model as a classroom practitioner and to be an innovator and a catalyst for new ideas, inspiring and motivating others by the quality of your own work.
- Plan and deliver lessons and other learning activities in accordance with the school's Teaching and Learning Policy, ensuring that lessons are based on clear learning objectives.
- Lead groups and support colleagues in staff development activities. In addition plan, organise and chair Numeracy meetings and take minutes as appropriate.
- To ensure that displays are continually of a high standard and set an example to others.
- Undertake and maintain lesson observations and evaluations in conjunction with the Head and other Subject Coordinators within the school.
- Mentor new staff to the school in the area of Numeracy.
- Work closely with the KS1 & EYFS Phase Coordinator to ensure close monitoring and assessment of pupils.
